ONE DESIGN SOLUTIONS

Study. Model. Tool.

We Build Bosses.

PRIORITY BOSS BUILDER

BRIAN MONROE, PH.D.

Co-founder · Economist and Data Scientist
One Design Solutions

> **I can do statistics on anything.**
>
> — BRIAN MONROE, PH.D.

Brian Monroe, co-founder of One Design Solutions, is a PhD economist and data scientist with more than a decade of research and consulting on three continents, building data pipelines, decision models, and AI tools for banks, retailers, and government agencies.

WHAT THEY DO

- Dashboards and data pipelines built on your own data
- Pricing, forecast and impact models, uncertainty stated
- Ongoing analysis on retainer, your senior analyst bench

WHO THEY SERVE

Growing businesses and project teams that want serious analysis, right-sized to fit, plus tools they keep using.

PRIORITY *let your data point to the decision that matters most.*

HYPE SONG "Black Math" – The White Stripes · **FAVORITE MOVIE** No Country for Old Men
