Dr. Tracey Huffman owns Unlimited Chiropractic in Decatur, where she helps people feel like themselves again. She pairs Network Spinal chiropractic with Neuro Emotional Technique, 60+ peptides, custom lab panels and top-quality supplements. Her goal is bigger capacity: more energy and freedom to go after what you are building. In person in Atlanta and by telehealth.

WHAT THEY DO

- Network Spinal chiropractic, four membership levels
- Neuro Emotional Technique, in person or telehealth
- Peptide consults, custom lab panels and supplements

WHO THEY SERVE

People stuck in pain or stuck in life, including busy business owners who need their energy back.

PEOPLE *the boss is the business's most important person. Take care of yours.*
