> — HAROLD LOPEZ

Harold is CEO and Co-Founder of EML Integrated Solutions and Extramile Services. He takes coordination off owners' plates across call centers, logistics, catering, technology and construction. A former C-suite sales director and contractor who has overseen multimillion-dollar operations, he builds the systems that let owners get back to building. Around Atlanta he is "the guy who knows a guy."

WHAT THEY DO

- Customer support: live agents, AI-assisted and hybrid
- Operations, logistics and catering coordination
- Marketplace and POS technology

WHO THEY SERVE

Restaurants and hospitality, multi-location businesses, healthcare and senior living, logistics, and retail.

PEOPLE *the right people and partners, so owners don't have to do it all.*
